

About Jasmuheen

Jasmuheen's main service agenda is the raising of consciousness to co-create a healthy, harmonious world. A meditator for over 44 years, the lifetime President of the GCSS in India, Jasmuheen, specialises in deep inner plane journeys using the alchemical meditative process to allow people to merge even deeper with their own enlightened nature.

As an Ambassador of Peace for the Embassy of Peace, she has travelled constantly since 1994 and achieved many positive things in the world with her work with tribal cultures in Colombia, the Amazons and also the slums in Brazil plus working with various levels of government including presenting her work again at the UN in Vienna in 2013.

Through this time she has been instrumental in helping to educate millions into better global resource usage via developing a stronger connection to the Divine resource within and since 1993 has been personally nourished by prana and for over 27 years has lived without the need to take physical food.

In her tour time each year she shares updates into her research on this, plus provides deeper connections and insights into the Essence Ocean and its Pure Love channel, that feeds us all, plus shares insights on our current evolutionary status on earth according to the Divine Feminine and the Light Beings she works with and much more.

Jasmuheen also has blended with her future life as a Commander with the Intergalactic federation of Worlds and is trained in Interdimensional Energy field Science.

A deeply peaceful person, Jasmuheen is light, entertaining and always filled with love and her gatherings are always inspirational!
